REPORT OF THE CHAIRMAN

Thanks to the efforts and successes of the Other Members of your Committee, this has been a truly uneventful year for your Chairman.

Thanks entirely to the efforts and inspiration of John Brown, our Members' Evenings are continuing to grow from strength to strength and I would like to express the gratitude of, I am sure, all the Members for the choice of subject matters and speakers which continue to compliment other Aviation groups so perfectly. And following the success of last year, I believe he is hoping to arrange another visit for us this Summer/Autumn.

I would like to extend my appreciation to all the members of the Committee, each and every one of whom add their own inimitable contribution to the overall success of our Society: apart from John Brown, John Head continues to keep us all on the straight and narrow which has resulted in, yet again, a financially healthy society (hence no increase to the Membership fee); Ian for continuing to ensure that all our discussions and reverberations are recorded for posterity; Chris, Dave, Ernie, and Shirley for their suggestions, contacts and 'fly-posting' abilities, and John and Dave for providing the refreshments without which we would not have the social interlude which I feel sets our friendly Society apart.

I have a big 'thank you' to all of you who come out in all weathers to join us every other month: your presence really does make us feel that our efforts are worthwhile. And, finally, I would ask that, if any of you could possibly join our Committee we really do need you. I can assure you that the Committee meetings are both pleasurable and productive, so if anyone out there would like to join us (refreshments provided), please don't hesitate to come forward - it really is not onerous and can promise a warm welcome.

Prue Ingall
Hon. Chairman
